

TIMBER PRODUCTS

Orana manufactures a range of quality bedroom furniture crafted to accommodate diverse tastes and styles. Our highly skilled team can handcraft high quality products that will last a lifetime and enhance your home.

Our range of bedroom furniture includes bed frames, bedside tables, tallboys, dressers, under bed storage units and padded headboards.

Orana bedroom furniture is manufactured using the finest quality Australian timber, both ash hardwood and pine. A wide range of colour stains are available to suit a customer's existing decor and needs.

We also manufacture a range of timber bookcases and wine racks.

Orana furniture is proudly manufactured at our Port Pirie facility, where our skilled staff ensure each and every product is produced to the highest quality standards we have set for ourselves.

Features:

- Quality Australian timber providing lifelong durability
- Handcrafted in South Australia
- Customised sizes and colours available on request
- Full five year warranty on all hardwood furniture
- Available at leading South Australian retailers
